Homemaker Clubs

2025-2026

Back to Basics: This club meets once a month on the second Tuesday of each month at 6:00pm at the Gallatin County Extension Office. This club focuses on meaningful relationships with family or friends while also being motivated to help, learn, and enjoy life. This club helps by donating to charities and adopts friends at the local nursing home. They also plan fun trips such as Derby Dinner Playhouse, Barnwood Bravo Theater, Lanthier Winery, day lunch trips, holiday celebrations, and MORE! Join us to discover the possibilities!

Cross County: This club meets once a month on the second Wednesday of each month at 10:30am at the Gallatin County Extension Office. This club has something for you in every season. In addition to the monthly meetings, they plan fun trips including events like Keeneland outings, Christmas party, and summer outings. This club also gives back to the community by service through the Fisher House, HS Senior Scholarship, DPIL Sponsor, and more. Come join us, have some fun, and help us serve our community.

Fun Time Quilters: This club meets on the second Tuesday of each month at the Gallatin County Extension Office from 9:00am-4:00pm. Bring your machine and join us to work on your own project(s). Some group projects and events include chemo quilts for patients, quilts for those affected by tornadoes and floods, patriotic pillowcases for the Fisher House, day trips to quilt stores, quilt retreats, and MORE! Not an experienced quilter? No problem! All levels of quilters are welcome. If you want to learn to quilt, this is the place for YOU! This club is willing to help those learning and make quilting an enjoyable hobby!

Napoleon: This club meets monthly on the second Tuesday of each month at 6:00pm at the Zalla Lodge. It is not just a club, but a family. This club enjoys volunteering in the community when needed such as visiting the nursing home during Christmas to show the residents and staff that they are loved and appreciated. This club also volunteers at events like the Peony Festival and the Homemaker Treasure Hunt. We love making different crafts and helping others learn to craft. Join us to learn more about what you can get involved in!

Weekend Crafters: This club meets on the third Saturday of each month at the Gallatin County Extension Office from 9:30am-4:00pm. Bring your own crafts and let's get crafty and have some fun together! This special interest club is an opportunity to simply do something for yourself once a month by starting or finishing a craft or project all while being with others who love to craft!

Mailbox: If you would like to receive information about what is going on with the Gallatin County Homemakers' special events, recipes, and more. You can attend what you like and you will receive a newsletter packed full of information and flyers on special events. Many of us who have very busy evenings have found this is a great way to be involved. We have members who live outside of Gallatin County, but still want to stay connected. So even if you move, you can still belong as a mailbox member.
